Conditions of Permit

Every truck must have a signed permit.
This permit is good for ONLY the dates requested.
Use only the designated route for all trucks (including pick-ups) and equipment.
Do not use large equipment on town roads - graders or dozers - without permission.
All loading must be done off of town road right-of-way.
Do not haul on unplowed town roads after a snowfall of more than 6 inches.
During spring thaw, only haul in the morning when the road is solid.
No blacktop roads will be permitted except for empty trucks or if it is the only possible route.
A road access permit is required if you are cutting in the township. A request must be made to a town official and an inspection held. The permit is \$10.
Permits may be suspended or roads temporarily closed to prevent excessive damage. You may be charged for road damage if these conditions were not met.
I have read and fully understand the conditions of this permit. _____
